

The Hebrew word for a sign is **אֹת**

- The sun and moon were placed in the heavens to be signs for times appointed in advance by God (Gen 1:14)
- The rainbow was a sign of the covenant that God made not to destroy the earth again by flood.

Several other signs are mentioned in the OT, **all sending a message to humanity of the existence of God and of His redemptive purposes in the Messiah.**

The Hebrew word for a letter of the alphabet is **אֹת**

– the same word as that for a sign.

In other words, **each letter of the Hebrew alphabet** is in itself a sign that **points to Jesus**.

$$\text{אֹת} = 1 + 6 + 400$$

$$= 407$$

$$= 11 \times 37$$
