

## The first, middle and last letters of the Bible spell **בהן**

First letter in Gen 1:1	<b>ב</b>
Middle letter in Psa 118:8	<b>ה</b>
Last letter in Rev 22:21	<b>N</b>

- ◆ "Even Bohan" ( **אבן בהן** ) = "stone of Bohan". This was a marker between the tribal territory of Judah and the territory of Benjamin (Josh 15:6, 18:17). It is called "even Bohan ben Reuben" ( **אבן בהן בן ראובן** ) which means "the stone of Bohan son of Reuben".

There is no other mention of this "son of Reuben" in Scripture. It is a "hint" for those with eyes to see.

**אבן בהן בן ראובן**

**בן**, meaning "son", recurs in each of the four words.

The name Reuben ( **ראובן** ) means: "See! A son".
